We have been producing boutique wedding events for 28 years and have a range of options that will make your celebration day a unique and memorable occasion.

And the Union offers exception quality that is value driven.

Whatever your plans and dreams, you can trust the Union to deliver an exceptional experience at the right price, to delight you and your guests.

Unique, chic and discreet

The Union Club offers a fabulously relaxed, bohemian backdrop for your special day.

A 300 year-old Georgian town house decorated with French street lights, modern and antique furniture and an eclectic art collection, complemented by acclaimed, unpretentious modern British cuisine, and a delightful team of experienced staff.

Boutique, intimate and bijou. A venue like no other. Do come and say hello.

"Many thanks for a great evening on Saturday, it was really wonderful and we appreciate everyone's work. We really enjoyed it and you looked after us. We were really happy with how it all went and are excited to come back as members!" **Kwesi and Mel**

Dining Room

A room of great charm where we can host sit-down wedding lunches (or dinners) for up to 60 guests.

Light and airy with a wonderful collection of 20th century lights and chandeliers, this room is where heritage meets the contemporary.

A beautiful room with a long history.

"We just wanted to say thank you to you and your staff for all your hard work and the most fabulous of nights! We couldn't believe this was our wedding!"

Dunstan and Hoffd

Channing Williams Room

This room can be used as a gathering place for bride, bridesmaids and other helpers. It works well as a quiet space away from the bustle of the party and is perfect for keeping honeymoon outfits, storing presents and taking time out. This room can even be used to accommodate another 20 guests for lunch if your numbers grow!

"Many, many thanks for all the work you put in to make last night so very special, it was everything and more than we hoped it would be. It ran like clockwork and we've had so many people let us know today how great the venue was, how friendly the staff were and how good the food was. That's a pretty good triple whammy!" - Jenny & Andy

Roof Terrace

Our sunny roof terrace is a hidden gem and the perfect addition to your reception.

As many as 40 people can be seated for a lunch or dinner - or it can simply be used as a break-out space for your guests to enjoy a little quiet garden time away from the party!

"Everyone who was there has commented on the location and the food being amazing. Also, special thanks for helping with the sound engineer and the staging. I'm not sure if you are looking for brand ambassadors but you definitely gained a few on Saturday. It was a really great day!"

Hannah and Richard

Getting Married at the Union

The Union also has a License to hold Civil Ceremonies, so you can get married here too!

Either way, our first floor room is an elegant space that will take 70 sitting down for ceremonies.

And we also have smaller Georgian rooms for you to get ready in, store presents or just have a little peace and quiet to collect your thoughts.

'Our venue, the Union Club, is a really cool members-only club in Soho that is also legally and emotionally equipped for weddings. I kept saying to my friends that it's like it was designed by Miss Havisham, but that doesn't really do it justice.' - **Lena Dunham - Vogue**

Party!

The Union also has everything you need to party after your reception lunch, for up to 100 people.

Disco equipment is provided inclusive in our hire charges and family or friends can easily plug in laptops or phones to access your own playlists.

Or if you prefer to use a professional DJ, we can provide equipment for them to work from (and contacts)

Our dance floor is intimate and connects directly to the front ground floor where guests can rest and chat, and the roof terrace (where guests can cool off).

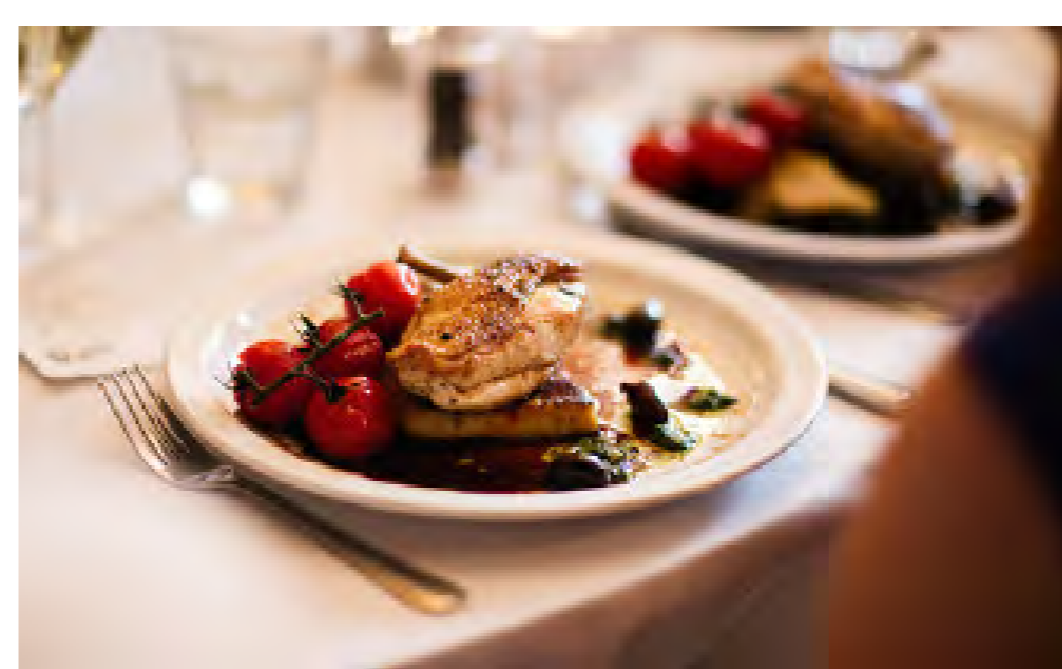

Our Head Chef, Frans De Wet, is a widely travelled South African who loves to cook!

Frans and his team offer unmatched quality. They bake their own bread daily and make their own fresh pasta.

Here at the Club we will be pleased to welcome you while you are making plans, so that you can get a feel for what we do, and can taste the quality of our fare, and our unique ambience.

"Thanks to all of you for what has been the best day in the history of forever! The team, the food, the place - everyone raved about it!"

Club History

Prior to its first development in the 18th century the area was used as a hunting ground by local gentry who would cry 'Soho!!Soho!' as they chased through the woods. Subsequently the whole area gained the name Soho Fields, which was then shortened to what it's called now - 'Soho'.

This Georgian townhouse was built in 1736 by William Frith, a local carpenter, who erected six houses, all to the same pattern.. In those days it was mostly fields and woodlands.all the way to Highgate.

Over the years it has of course been used for everything and anything, and no doubt saw plenty of action as a brothel, gambling and drinking den. Soho has always been colorful.

Today, 50 Greek Street is the last remaining of the original six houses and is a listed historical building of considerable merit.

The Team

At the Union we have the longest serving staff in Soho. Some of us have been here over 28 years.

The Union is a home in Soho, for staff and members alike. Over the years we have made many friends.

And the sooner you get to know us the sooner will the Union become your home too.

So next time you are in Soho do drop in for a coffee and say hello.

We will be thrilled to meet you and give you a tour of the club.

What people have recently said about us

Pete

Huge thanks to you and your team for such a memorable and stress free day on Saturday. Everything about it was spot on and perfect, we have had lots of comments on the high quality of the food and the professionalism of the entire team, dining and bar staff. Thank you also to your continuing support and flexibility in the planning. We are so relieved and pleased that we chose Union Club to host our special day.

Gemma and Niall 11/12/21

Hi Pete,

We just wanted to say a massive thank you to you and all the team at the Union Club for Saturday. It was such a special day.

Our friends said you were so helpful in the morning and getting everything set up. The idea to have the reception out on the terrace was inspired and I think it just made the day so thank you for that. The food was amazing, the booze was flowing and everyone commented on your staff and the venue generally.

So thank you again, we're so pleased to have been able to have one of the best days of our lives in your club. Please pass on our huge thanks to the team.

Kelly & Rebecca 11/10/21

Dear Peter

It's Celia here. I just wanted to say a huge thank you from Rob and I.

You did Emily and Harry proud, it was an amazing day and made such by you and your amazing staff who never failed to smile and assist at all times...They were so lovely. The perfect setting, perfectly arranged and so smoothly orchestrated... Thank you, thank you, thank you from us both.

Celia and Robert 27/11/21

Hello Peter.

Congratulations to you and the whole Union Club crew for putting on a tremendous event on Saturday. We loved being with you and felt very special being looked after by all the lovely team.

Thank you all for making the day so special for Anna and Matt and the rest of us who were fortunate to be part of such a wonderful event.

Mark Bourgeois 30/01/22

Dear Pete.

Thanks so much for all your help. We had such a lovely celebration for Ethan and Zhenya's wedding.

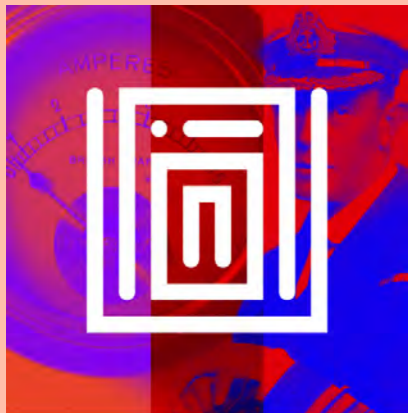

Carolyn and all the kitchen team did such a great job with the food. Pete, your choice of wines, champagne and Prosecco was perfect. Ben and Olga were great and fab with our guests. And what a result that Olga could speak with the bride and her sister.

A truly memorable event. Thank you so much! And I did cry a bit during my speech.

Please pass on our thanks to the Union team and I will pop by on Tuesday to collect the flower vases.

Kind regards

Karl & Louise 22/05/21

Hi Pete. Michelle and I would like to thank Pete and the team at the club (with special mention of Ben and Coren) for helping to give us a fantastic wedding day. All our guests loved the club, and thought it was a really cool venue that created an amazing atmosphere. And there were many compliments about the food. Thank you! **Stuart and Michelle 28.05.2022**

Hi Peter,

Both MJ and myself just wanted to take a minute and let you know what an absolute triumph our reception at the Union Club was. And yes you were right 'stop worrying'. From the moment we entered the club after getting off the bus, the day ran seamlessly. We could not fault anything or anyone at the club. From the champagne on arrival, the fabulous food and the fantastically unobtrusive service the day flowed into night along with the champagne with an amazing time had by all our guests. **Gary & MJ 10 June 2022**

Coren and Peter,

Thank you both for such a wonderful day. People were really blown away by the Union Club and all of you guys and with the delicious food too. Sincere thanks to both of you and the rest of the team. **Gaby & Eoin 23.07.22**

Hi Pete. We will take the time to write a proper thank you, but wanted to quickly pass on our gratitude for everything you did to put together such an amazing wedding.

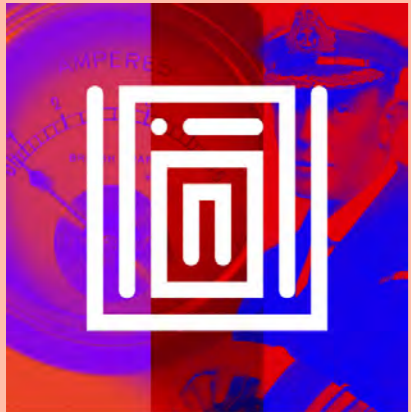

Tom and I and all our guests couldn't have loved it more. It's was absolutely epic and I think it's going to take me the best part of this week to recover! **Clare & Tom Dec 2022**

We hired the Union club for a party to celebrate our wedding in November 2022. We researched several venues in and around central London and settled on the Union club as the recommendations and the club's reputation is very favourable. Having committed to the booking the whole experience with Peter and his team was easy, relaxed and stress free.

The interior of the club is splendid old world quirky, unique and full of character. It's an eclectic mix of rich colours with walls that are crammed with pictures that all contribute to provide a special essence.

There is also an outdoor roof terrace, a cosy and intimate first floor dining room which combine to provide different areas to relax and enjoy your event with ample room inside and out for the guests to enjoy a sit down meal and dancing until the early hours on the ground floor. The food was spectacular and importantly the portions are ample for the formal lunch party all served by a team that are attentive and friendly. **Jacqui & Rob Nov 2022**

We just wanted to say how wonderful Sunday was for us and all our Friends. It was the perfect celebration. Katie, Jasmin and Ben worked so hard to make it go so perfectly. The food was delicious, so many great comments from our friends. All who came loved the Day and the Union and I think you may have a few more people looking to join. Thank you all once again for making our day truly memorable not just us, but all our friends. **Ed and Lee Nov 2022**
